15-266

**Date:** Friday, November 13, 2015**District:** 8 – Riverside/San Bernardino**Contact:** Philip Havins**Phone:** (909) 383-4631**FOR IMMEDIATE RELEASE****BE WORK ZONE ALERT!**

## UPDATE

### SUPERPAVE PROJECT ON INTERSTATE 15 BETWEEN HESPERIA AND BARSTOW

**SAN BERNARDINO** – Caltrans, District 8 continues paving Interstate 15 (I-15) in various locations from .8 miles south of Ranchero Road to State Route 58 (SR-58) between Hesperia and Barstow. The \$4.9 million project has been awarded to Sully Miller and will provide a pavement overlay in both directions of I-15 and fog seal the shoulders. The work hours will vary between night and day with lane closures. Lane closures will be dependent on projected traffic volumes and weather conditions. Currently, there are two locations of work – one in Hesperia/Victorville and the other in Barstow.

The material used for the overlay is called “Superpave”, which is known for its durable and long-lasting qualities. During the work, lane closures will be essential to protect workers, as well as to ensure that traffic does not travel over the material while it cools, which will ensure the best product.

In addition to the lane closures, temporary ramp closures will be necessary to complete paving, striping, and shoulder work. **A fog seal operation will be utilizing a moving closures along northbound and southbound from Hesperia to Barstow on I-15 from Monday 11/16 through Thursday 11/19, beginning at 7:00 a.m. and concluding at 5:00 p.m.** The following schedule is dependent upon weather conditions:
